

VF Travelling Fellowship

The VF is pleased to announce a Research Travelling Fellowship to the value of (£1000) for a trainee to travel to a centre/s to learn about either clinical or research skills.

The grant is open to all trainees. To apply, the candidate needs to supply:

- a) Up to a 1000 word application outlining the trip, costs and aim of the potential benefit of their subsequent professional development.
- b) Curriculum Vitae.
- c) Letter from their Head of Department and/or a senior colleague/specialist supporting their application.
- d) Letter accepting the candidate in the centre/centres to be visited.

Closing date of application: Wednesday 1st April 2009

The successful candidate will be announced during the Annual General Meeting of the VF in April 2009. The winner will be expected to attend the 2010 Spring meeting of the Venous Forum and present their work in a 10 minute presentation.

Applications should be sent to:
