**The abstracts deadline is Monday 20 July 2009**

**Requirements for an abstract**

- The work to be presented must be original and substantially the candidate's own
- Language: English
- Font: Times New Roman, 12 pt; single-spaced; no extra spacing between paragraphs
- For standardisation, the abstract should not exceed 3600 printable characters; author's details and headers included (this also includes non visible characters, such as spaces, and punctuation)
- The abstract should be structured into the following sections:
  - Title (in Capitals) which clearly indicates the nature of the investigation
  - List of authors (presenting author underlined)
  - Affiliation
  - Background
  - Objectives
  - Methods
  - Results
  - Conclusions
  - 5 key words for indexing purposes
  - References (max 4 seminal references)
- One graph/image\* for illustration; must comply with the following criteria: Max image width: 500 pixels; Max image height: 500 pixels; Max file size: 500 KB; Allowed file type: gif, jpg

*\*Please note that insertion of graphs and images may significantly reduce the number of remaining allowed characters.*
