

## **Dr Jonathan Rohrer MA, MBBS**

Jonathan Rohrer is currently Clinical Research Fellow in Neurology at the National Hospital for Neurology and Neurosurgery.

Involved with the RSM since 1999, Jonathan worked with the Student Members Group from its early days. He served on the Young Fellows Committee – initially as Secretary and then as Chairman from 2002 until 2006. While Chairman, Jonathan recruited more than 20 new junior doctors to the committee and devised and initiated the yearly Young Fellows Audit Prize. He devised and ran the Becoming a House Officer Survival Guide for junior doctors – now in its fourth year – and devised and ran the twice-yearly Teaching Skills for Doctors course.

He says he will be particularly interested in improving the provision of medical education for junior doctors at the RSM and making the Society more relevant to junior doctors.
