Save time organising and writing papers

Mendeley is a free academic software available on Win, Mac, Linux, IOS and Android, which allows you:

- To keep all your documents in one place and access them across various devices
- To read, highlight, annotate and share PDFs wherever you are
- To insert citations/bibliographies and create new citation styles
- To share and collaborate with like-minded researchers via Private or Public Groups
- To share your own publications worldwide

Free training course for RSM Individual Members

Group courses run throughout the year or alternatively you can contact the library on 020 7290 2940 to arrange a one-to-one tutorial.
For more information about Mendeley and other Information Skills workshops visit www.rsm.ac.uk/informationskills

In 2014, 39614 members logged in the RSM Library's e-resources and viewed 249106 articles electronically.

Members have Access to:
- eBooks
- eJournals
- 6 key medical databases: Medline, Embase, AMED, The Cochrane Library, Clinical Key, DH-Data

To access your electronic resources visit www.rsm.ac.uk
(You will require your membership number or email address to register.)

Once logged in click the e-resources tab to gain access to the RSM Library's e-resources.

For more information, please speak to a member of staff.
LITERATURE SEARCH

The RSM library Literature Search team can search a wide range of information resources on your behalf, including biomedical and scientific databases.

We offer three types of literature search:
(Charges apply)

- Online database searches
- Manual searches
- Reference checking

Our experienced, professional searchers produce high-quality mediated literature searches designed to meet your specific needs from online databases and other sources in any medical or healthcare subject.

For more information please visit www.rsm.ac.uk/library/services/literature-search

Alternatively you call us on 020 7290 2941 or email us at litsearch@rsm.ac.uk.

Information Skills Training Workshops

Whether you are a beginner or an expert, the courses aim to help those wishing to improve their information seeking skills, including medical students and trainees, NHS staff and those working in the wider healthcare sector. This can be take place in the library or via Webex.

To book a place on our literature searching courses or for more information, please contact the library on 020 7290 2940 or email library@rsm.ac.uk
