Save time organising and writing papers

Mendeley is a free academic software available on Win, Mac, Linux, IOS and Android, which allows you:

- To keep all your documents in one place and access them across various devices
- To read, highlight, annotate and share PDFs wherever you are
- To insert citations/bibliographies and create new citation styles
- To share and collaborate with like-minded researchers via Private or Public Groups
- To share your own publications worldwide

Free training course for RSM Individual Members

Group courses run throughout the year or alternatively you can contact the library on 020 7290 2940 to arrange a one-to-one tutorial.
