Accessing Clinical key

1. After you have logged into the RSM, click on the e-Resources tab.
2. At the bottom on the resource page, click on the “access Clinical Key” link
TIP: Make sure the word “socprox.net” appears in the address box at the top.

3. In the search box, type in keywords you wish to find and click the symbol or hit the return button on your keyboard.

NOTE: The RSM Library holds 1123 eBooks and 616 eJournals. You may find items on Clinical Key that the library does not own. Make sure you check the A-to-Z before searching for an item to see if it’s electronically available. If you cannot find the item you are looking for, please email us at Library@rsm.ac.uk

You can register with Clinical Key by clicking on the register tab and following the instructions.
