

# RSM Coloproctology Section Overseas Meeting Amsterdam

24-25th May 2019

## Amsterdam

A city that celebrates fun, encourages quirkiness and is brimming with culture!

Amsterdam has a long history of cultural riches and rebelliousness. The glory-days of the 17th century, the über-cosy 1800s, the counter-culture explosion of the 1960s – they've all left tidelines along Amsterdam's canals: opulent gables, Rembrandt and Van Gogh, barrel-lined cafés, gardens of rare blooms and relaxing 'coffeeshops'.

## This year is different .. this year we go Dutch!

The Coloproctology overseas meeting is often the jewel in the crown of our academic year! Times have changed and how we all travel nowadays has been revolutionised. We feel there is an exciting opportunity to trial a change in style to this years overseas meeting. We are not using a travel agent this year and hope to make the meeting more accessible, affordable and leaner. Amsterdam is the perfect city to trial this new format!
