Search for the Journal/Book you would like to read. For some of our more popular titles, there are quick links to these just under the search box.

General Search All Fields Lancet SEARCH Advanced Search

JRSM JAMA NEJM Nature BMJ Lancet Covid19

Library Results Broader Results

Depending on the Journal you would like to find, this may bring up several titles – both from the Library’s print collection and electronic titles. For e-journals, you will see ‘electronic resource’ after the title.

This is what it looks like for the Lancet. From the search result, click on *Available in ClinicalKey eJournals* to access this.

8. **The lancet [electronic resource].**

Format: Electronic Resources

Publication Date 2020 2019 2018 2017 2016

[Available in ClinicalKey eJournals : 2007 to present](#)

ISSN 1474547X

If you haven’t logged on to the RSM website, you will be asked to do so at this point. Once you have logged in, you will be taken through to the journal where you can search by year/volume/title etc:

Searching by article, subject or keyword

To search for a specific title or by keyword, select *Discovery* under *General Search* and enter your search terms into the search box:

The Royal Society of Medicine

Library Search Hub

Discovery All EDS Fields Health SEARCH Advanced Search

JRSM JAMA NEJM Nature BMJ Lancet Covid19

If there is an article you would like to read, click *Access Full Text* and this will take you through to the full text.

2.

Disability, Ethics, and Health Care in the COVID-19 Pandemic.

Author Sabatello M
