Save time organising and writing papers

Mendeley is a free academic software available on Win, Mac, Linux, IOS and Android, which allows you:

- To keep all your documents in one place and access them across various devices
- To read, highlight, annotate and share PDFs wherever you are
- To insert citations/ bibliographies and create new citation styles
- To share and collaborate with like-minded researchers via Private or Public Groups
- To share your own publications worldwide

**Free training course for RSM Individual Members**

Group courses run throughout the year or alternatively you can contact the library on 020 7290 2940 to arrange a one-to-one tutorial.

For more information about Mendeley and other Information Skills workshops visit www.rsm.ac.uk/informationskills
