LITERATURE SEARCH

The RSM library Literature Search team can search a wide range of information resources on your behalf, including biomedical and scientific databases.

We offer three types of literature search: (Charges apply)

- Online database searches
- Manual searches
- Reference checking

Our experienced, professional searchers produce high-quality mediated literature searches designed to meet your specific needs from online databases and other sources in any medical or healthcare subject.

For more information please visit www.rsm.ac.uk/library/services/literature-search

Alternatively you call us on 020 7290 2941 or email us at litsearch@rsm.ac.uk.

Information Skills Training Workshops

Whether you are a beginner or an expert, the courses aim to help those wishing to improve their information seeking skills, including medical students and trainees, NHS staff and those working in the wider healthcare sector. This can be take place in the library or via Webex.
